

The Role of the EFCL

The Edmonton Federation of Community Leagues is the umbrella organization and support network for Edmonton's 150 Community Leagues.

The EFCL responds to broad needs of communities with the following support:

- Advocacy before City Council
- Promotional Events and Programs
- Volunteer Recognition
- Training and Workshops
- Media and Public Relations
- Attention to league questions and concerns
- Infrastructure
- Neighborhood Design
- City Wide Development Policies

Our Resources include Information and Guidance to leagues on:

- Grant Applications & Sponsorships
- Direction with Planning & Development Concerns
- Assistance with Accounts and Bookkeeping
- Government Services
- Contracts
- Legislation
- Infrastructure Assessment
- Board Development
- Volunteer Recruitment

We provide information to the general public about community leagues such as:

- Location of each league
- Events & Programs offered around the city
- A List of Facilities & Amenities
- A website with details and news articles regarding league information & activities, current issues in planning, events and special interests to communities

Formed in 1921, the EFCL has given rise to city-wide events & high profile programs.

Sports & Recreation programs:

Edmonton Minor Soccer Association EMSA
Edmonton Minor Hockey Association EMHA
Baseball & Softball, Basketball, Tennis
Outdoor Skating Rink

Arts programs:

Our Annual Talent show is a 57 year old venue, that features the creative abilities of our youth

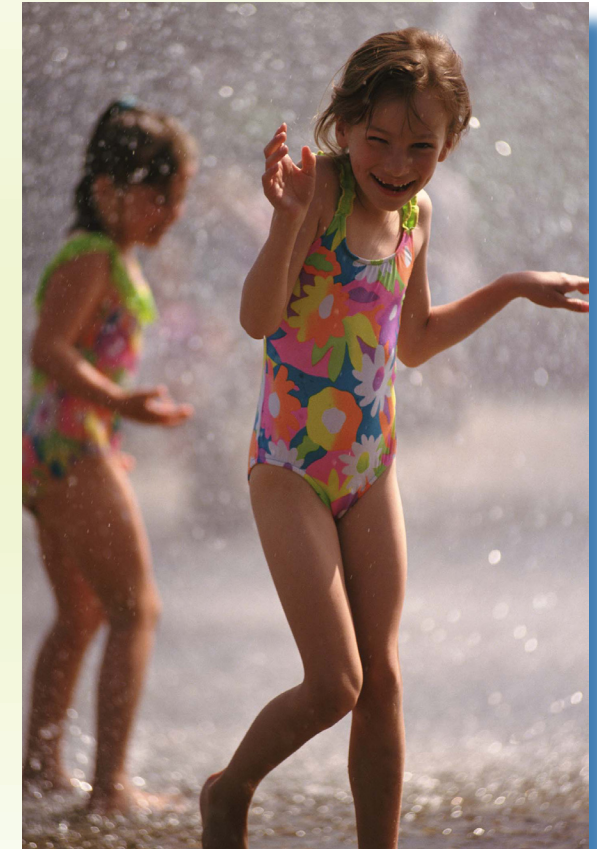

Summer & Winter programs & events:

Carnivals, Day camps
Community Barbecues & Pancake Breakfasts
Block parties, teen dances
Hallowe'en and Christmas Events

Edmonton Federation of Community Leagues

Your Community League Works To Improve Your Neighborhood

Community spirit & pride, extensive programs, and improved facilities are the wonderful byproducts of community members working together.

Parks, playgrounds and community halls get built. Many leagues have added basketball courts, skate parks, sport fields, tennis courts, water parks and community gardens to name a few.

Indoor and outdoor soccer, Little league baseball, softball, basketball and pick up hockey are a few of the sports made possible through the efforts of volunteers.

If you have a concern about your neighborhood, the league gives you a place to express your opinion and represent your interests regarding development and planning matters

For a safer, healthier neighborhood, league members also create groups to address concerns such as litter clean up or crime prevention.

Where neighbors meet and great things happen

Membership has privileges. Access to hall rentals and recreation facilities such as skating rinks and tennis courts are two of the many benefits. When community league memberships are presented at city recreation centers you get a discount on specific admissions.(see details online)

And as a member you are invited to the large promotional events put on by the EFCL.

To get involved with your league call
